ADVANCE PRICE LIST

FALL 1942 - SPRING 1943

In issuing this Price List, we have tried to make our prices conform to the present day conditions, taking into consideration the increased cost of production and labor shortage from the viewpoint of both ourselves and our customers. We are forced to make it clear that **PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE**, but any orders booked at these prices will **NOT TAKE AN INCREASE** and if any prices are lowered, the early buyer will be given the benefit.

SPECIAL NOTICE

We will also have a good selection of Evergreens, Camellias and Rhododendrons available for Fall delivery. A complete list will be issued on these in our September catalogue but for the present we will list only the varieties. We invite your inquiries and shall be glad to quote you or book your order.

TO THE TRADE

In offering the following list of nursery stock, we wish to emphasize the fact that it is grown on non-irrigated soil under natural growing conditions and is well ripened before digging. The long growing season and plentiful rainfall of the Willamette Valley are conducive to rapid growth but proper maturing of all stock is easily controlled by cultivation.

PRICES are based on present market conditions and subject to change without notice. All quotations are subject to previous sale and all prices are made for the use of established nurserymen only.

TERMS. The usual terms are offered to those of established credit or whose responsibility is known to us. Satisfactory references are required from unknown parties. Interest at the rate of 6% per annum will be charged on overdue accounts.

ORDERS are booked subject to crop conditions or errors in count, and with the understanding that same shall be void should injury befall stock because of hail, fire, frost or other cause beyond our control.

GRADE STANDARDS are those adopted by the American Association of Nurserymen.

PACKING. All boxing or baling charges at cost. No charge is made when stock is packed in bulk in a car.

SHIPPING. In making our Eastern shipments, we use combination or pool cars to several distributing points throughout the East and Middle West. This greatly reduces the freight charges and makes our stock as reasonable as any. L. C. L. railroad freight, auto freight or express shipments promptly handled.

INSPECTION CERTIFICATES will be furnished with each shipment.

CLAIMS for any cause must be made promptly on receipt of shipment. Any stock rejected must be reported immediately and held for advice from us as to disposition but in no case should it be returned to us without authority. We will cheerfully allow credit for proven unsatisfactory stock but will not entertain claims after stock has been once accepted.

GUARANTEE. WE GIVE NO WARRANTY, EXPRESSED OR IMPLIED, AS TO LIFE, DESCRIPTION, QUALITY, PRODUCTIVENESS, OR ANY OTHER MATTER, OF ANY NURSERY STOCK OR PLANTS THAT WE SELL. SHOULD ANY STOCK PROVE UNTRUE TO NAME AS LABELED, IT IS MUTUALLY AGREED THAT OUR TOTAL LIABILITY, UPON SATISFACTORY PROOF, SHALL BE LIMITED TO OUR REPLACING FREE OR REFUNDING THE PURCHASE PRICE.

Respectfully,

A. MCGILL & SON.

A. MCGILL & SON
WHOLESALE NURSERYMEN
SINCE 1890
FAIRVIEW, OREGON

Dear Friends:

In receiving this Advance Price List for season 1942-1943 you may think we are a little early, especially under present conditions. However, we think that present conditions warrant early consideration of your needs for the coming year.

The nursery business should be good and if we all will work with the changing times and prepare for the future, we can go a long way towards preserving our organization and help win the war at the same time.

We wish to thank our many customers for their valued orders during the past year. It has been a pleasure to serve you and we hope your dealings with us have been satisfactory so that you can again favor us with your business.

Our Mr. Frank Donovan is covering the Eastern territory this year and if he has not called on you, will do so soon, if at all possible. Tire and gasoline shortage may curtail his trip somewhat, however. When he does call we hope you can spare him a little time so he can talk with you about what we have to offer for next season. If he cannot get to see you, take a little time to look over the list and send us your regular order, a trial order or at least a tentative one.

We had rather a late spring in Oregon but things are growing well now and we know we will have a fine lot of stock to supply our many good friends. Prices are changed very little from last year's, although we will make every effort to keep up the quality of our material.

I am going to miss the personal contact and visits of the past years but so many things need attention here that it is necessary to stay home to help with the work. I hope to attend the Kansas City Convention in July and will look forward to seeing you there.

With Best Wishes for a good summer and hoping to hear from you,

Sincerely yours,

A. MCGILL & SON
